Dear families of St. Kentigern's,

On behalf of our children, staff and Governors, may I wish you all a very happy, holy and peaceful Christmas. Thank you to all our families who supported the Christmas concerts, nativities and sing-alongs. The children love to see their family members in the audience and these magical moments are to be treasured. We look forward to welcoming you all back on **Tuesday 3<sup>rd</sup> January 2023**

### Message from Fr. Michael

Hello and I hope everyone is well, caring for one another and trying to stay warm. I was pleased to see the school choir singing so wonderfully this week, from the sanctuary in the church, but I was alarmed to see the snow coming down inside the church, but the choir bravely sang on, superb! Once again, an example of the great work our school plan and deliver every week. Thank you and well done to all our school staff. This week, we arrive at the fourth week of Advent; we prepare in hope for Christmas by telling our story of faith. May we find room in our hearts and our homes, in our school and our parish for Our Lord! May the message of Christmas inspire us all to be excellent examples of the love of God for one another. Have a great weekend. St Kentigern, pray for us.

And finally, Chester would like to wish you all a.....
